

Foundations Bible Study – I Corinthians Introduction

This Pauline letter contains many comments and helps for our personal life and the life of the Church. We will be going at a fast pace so please feel free to comment on any parts you feel that speak to you. You can add any comments at the end of each lesson on the “Other comments” question. This will be an interesting study of how we, as people and the Church, have not really changed that much over two centuries. We still have a lot of the same problems and challenges as the early Christians did and the “Good News” is that God is here with us today in the presence of Christ and the Holy Spirit to help us out in a very similar way as God and the Apostle Paul helped the church at Corinth.
