

Asbury's Mission is "To make new disciples for Christ, for the transformation of the world"

Asbury United Methodist Church will be a caring community of faith that shares the gospel of Jesus Christ by **loving God, loving others, and serving the world.**

We will **Love God** through worship and strive to connect people to God by bringing them to worship.

We will **Love Others** by connecting in small groups that share, learn, and grow together.

We will **Serve the World** by reaching out in *hands-on* ministries that make a difference in our community and the world.

Goals for Vision in 2012

- Identify a Communication Coordinator and develop a multi-pronged plan for improving communication within the church and from the church to the community.
- Identify a Spiritual Growth Coordinator and develop plan for discipleship.
- Create at least one new "connection point" to reach out to those who are currently un-churched.
- Have 1000 "touches" in ministry, in which members of Asbury participate in acts of hands-on ministry.
- Make 300 new disciples for Christ in 2011 through 2014, using the motto of "each one reach one."
