A Mother

comes with all different names

Aunts

who love, worry and play

Teachers

who help you, guide you
and set your aim

Sisters

who listen, cry and put your
worries at bay

Grandmas

with warm cookies, hugs and
prayers so you'll never stray

Yes, a mother does come with
all kinds of names

Thank You

to all women for being a
mother to someone's child, but
most importantly to

His Child
